

K-5

In our elementary classes, we engage your child through small and large group time, as well as high-energy worship services, Bible-based teaching, and interactive activities to lay a Christ-centered foundation. We also work to help your child transition into their junior-high classes

## TOP 5 THINGS YOU NEED TO KNOW

### 1. WE DO LARGE GROUP

Each week our service experience has large group time where we show your child Jesus through powerful high energy worship, object lessons, and interactive age-based biblical teaching.

### 2. WE DO SMALL GROUP

Small groups allow your children to form relationships with other kids from church. As students build relationships with leaders and other students, they gain the support and confidence to grow in their faith. When you commit to attending the same service each week, your student will be surrounded by a small group of familiar faces.

### 3. YOUR CHILDREN ARE SAFE

Safety is one of our highest priorities. We want you to feel comfortable leaving your children with us each week. That's why you'll receive a unique parent identification number each time you check in. Additionally, every volunteer is screened and participates in a background check. You may also notice that our hallways are monitored by security during each experience.

### 4. WE HAVE FUN

Kids like to have fun and it is important for them to do so even in church. We play games, have video teachings, and many other age appropriate activities that keep them engaged during their experience in RockKidz. While kids keep coming back for the fun, we accomplish our mission by nurturing and teaching them spiritually.

### 5. WE EQUIP PARENTS

Each week we upload information to <https://www.facebook.com/RockKidzofNEA> for parents and families to continue the lessons at home!
